CERTIFICATE OF APPRECIATION

This certificate is proudly presented to

Naytik Jain

in recognition of his outstanding initiative and contribution towards climate resilience and community preparedness.

Climate-Adaptive Housing for Flood-Affected Communities

Naytik undertook a social venture focused on climate-adaptive housing solutions for flood-prone communities in **Kerala, Bihar and Assam**. He further extended the initiative through virtual awareness workshops for local residents, focusing on **flood safety, preparedness and relief measures**.

Through this work, Naytik demonstrated empathy, initiative, responsible citizenship and a meaningful commitment to building safer and more resilient communities.

Community Awareness | **Climate Resilience** | **Disaster Preparedness**
